A quality education can give a child a chance to hope. Often, children living in poverty are unable to attend school and their opportunity for overcoming poverty is beyond their reach for reasons such as:

- Costs of tuition
- No access
- Need to care for siblings
- Costs of uniform and supplies
- Assisting with family income

You Can Make a Difference

Being a sponsor is an honor and a blessing not only to a child, but to their entire family. Sponsorship helps provide education, uniforms, supplies, and in many cases a nutritious meal. Hope Changes Everything partners with local schools, church leaders and other organizations to provide the best opportunities available to children living in poverty.

- **Sponsorships**
Providing a child a quality education can give them a chance to hope. Sponsor a child for \$200/yr.
- **Tutoring**
Children need after school tutoring to enhance their learning. Give a child the extra help they need for \$100/yr.
- **Children's Day**
Children's Day in January is filled with worship, good food and gifts for children. \$5 provides a meal and a gift.
- **Missionary Support**
Silain "Tiga" Wildophe and his wife Farah are self-funded Haitian missionaries who lead the ministries and advocate for the children in Haiti. They act as liaisons for you and your sponsored child.
- **Use As Needed**
As dedicated stewards of God's resources HCE will use your donation in the most needed area. Thank you for your trust and support.
